## Resident Testimonies

*"STA is one of the best run tennis programs in North Atlanta. Well organized, classes for all levels and programs that include the whole family. STA has professional and friendly pro's with competitive prices. STA has my whole family involved in Tennis now! We are really fortunate to have them in our neighborhood!"*

*"My family and I have been involved in the Seven Oaks Tennis Community for the past six years. Over the years, our community has been plagued by multiple problems with the tennis program or lack thereof. In the short time Silvia Tennis Academy has taken over the program, players who were playing outside the neighborhood have returned, beginner teams have been formed, juniors have a competitive academy and a brand new generation of "tots" are out on our courts. Today, our courts are always active and we have an energized tennis program thanks to Silvia Tennis Academy"*

Mrs. Aldona Moss, Seven Oaks resident

*"I have been a resident of Crooked Creek since 2000. STA tennis is the best run team in the greater Atlanta metro area. I'm very fortunate that they run the programs in my neighborhood. STA offers programs for everyone in our household and keeps the sport fun. In addition to a talented staff, they are professional and responsive. I love bragging about our tennis programs when others come to play at Crooked Creek."*

Craig Levy, Crooked Creek Resident

*"I have really enjoyed the addition of STA to the Seven Oaks tennis community. In a short time, they have developed a vital and exciting neighborhood tennis program that invites participation by all. My husband and I along with our three children have all benefited from the top notch pros at STA. Their level of teaching, commitment, professionalism (and fun!) is unparalleled. STA offers competitive team and private lessons along with the outstanding Cardio Tennis program and excellent club mixers which are a blast"!*

Mrs. Dana Martin, Seven Oaks Resident

*"STA is a wonderful part of our family's life! The tennis pros are professional and work well with everyone in the community. My husband and I have improved our tennis game and our children (6 and 9 years old have developed a love for tennis since STA has taken over the tennis programs at Seven Oaks".*

Alison Daigle, Seven Oaks Resident

*"After living in Crooked Creek for 7 years, I finally joined my friends and neighbors on the tennis courts. In the past seven months STA has assisted in taking me from a resident with a tennis racquet to an ALTA team. It is very nice to live in a neighborhood that offers a wide variety of programs for all levels!"*

Robin Cox, Crooked Creek Resident

*"My husband and I highly recommend Silvia Tennis Academy. We've enjoyed the opportunity to learn tennis with experienced pros on our home turf. Their deep expertise has provided our entire family the platform to learn basic strokes and as we work our way up in skill level, learn strategies to adjust to our opponents while polishing our strokes. The staff has the unique ability to customize lessons on the fly, suited to each individual's needs. We appreciate that Silvia Tennis is an active and supportive member of our entire community".*

Annette Bulick Seven Oaks Resident

*"I played tennis in my youth but set the game aside until my family moved to Atlanta and the Crooked Creek neighborhood. Silvia Tennis Academy ensured my return was more than just a passing fancy by helping organize a tennis program that provides opportunities for players of all levels of skill and commitment. The instruction- whether team or*

*individual- is geared around improving our game and enjoying the sport. Younger players learn the etiquette of the game as well as how to hit with topspin. Growing a program that meets the needs of more than 600 residences is a tough challenge well met."*

"Silvia Tennis Academy is a wonderful asset to Seven Oaks! I have thoroughly enjoyed taking lessons and becoming more and more involved in the tennis program here in our neighborhood. Silvia Tennis Academy has many exciting programs for adults and children -- Cardio tennis, Kids Summer Camps, and Adult Drills . My entire family plays tennis and participates in most of the programs that are available to us. We are a 'tennis family' now and I attribute that to STA! Viola, Jason, and Kenny are knowledgeable and professional, but they also make the game of tennis a lot of FUN!"

*"Our family moved in to Seven Oaks two years ago from New York State. One of the things that made us choose this neighborhood to move in to is the tennis program run by STA. In fact, our realtor made a point to mention to us that tennis is very popular here in Atlanta, and that Seven Oaks is known for having an excellent tennis program which would help with resale value.*

*One of the first things we did to get our children to meet other children in the neighborhood was to enroll them in the tennis programs offered here by Silvia Tennis Academy. My husband and I are were very impressed with how professional and welcoming the tennis pros were with our family. Our children, ages 4, 6 and 7 at the time, quickly made new friends and have come to love the sport of tennis.*

*I started playing tennis a year ago, as it has been an excellent way to exercise and meet new people in the community. STA provides the residents here at Seven Oaks with so many creative ways to become involved with others in the neighborhood. Their adult and youth tennis camps are top notch, and their special holiday focused events are a fun way for neighbors to get together for fun and socialization.*

*The value that The Silvia Tennis Academy adds to Seven Oaks has no monetary value. The Tennis Pros who work for STA are always professional, positive and willing to help at any time. A perfect example is how STA helps with our annual charity fundraiser, Raise Your Racquet for a Healthy Heart. They dedicate their time and energy, at no cost to the home owners, for a full day of activities to support our community's effort to raise money for a good cause. Not only that, STA also donates goods and services to be bid on at the silent auction portion of this event. This is one example of how STA goes above and beyond their call of duty to help out our neighborhood.*

*I truly feel fortunate to have STA part of our Seven Oaks Community!"*
